

Miscellaneous Facts Regarding:

SEUAC

(STORMWATER ENVIRONMENTAL UTILITY ADVISORY COMMITTEE)

- 1/ **SEUAC was established in 1990 following an amendment of the Stormwater Ordinance 89-117 Section 5.**
- 2/ **Jon Thaxton, prior to serving as a Sarasota County Commissioner, was a member of SEUAC.**
- 3/ **For the past 3 years SEUAC has hosted an annual joint advisory board meeting that included the Water and Sewer Advisory Committee and the Air and Water Quality Protection Advisory Board. These meetings were meant to determine “common ground” regarding each group’s topics of discussion.**
- 4/ **Topics of discussion from previous and future SEUAC meetings are mentioned and not limited to the items listed below:**
 1. **Water Quality Issues**
 2. **Annual Fiscal Budget Discussions**
 3. **Extraordinary Maintenance**
 4. **Celery Fields, Fruitville Corridor**
 5. **TMDLs (Total Maximum Daily Loads)**
 6. **Stormwater Re-Use Activity**
 7. **Water Quality Levels of Service**
 8. **Updates of “Watershed Activity”**
 9. **Status of CIP Projects**
 10. **Miscellaneous individual reports, such as “Water Atlas”**
