NPDES WRITTEN PLAN FOR CONDUCTING PERSONNEL TRAINING FOR ILlicit DISCHARGE, SPILL PREVENTION & RESPONSE AND CONSTRUCTION STORMWATER SEDIMENT & EROSION CONTROL AND BMP’S

INTRODUCTION

This Personnel Training Program is developed to help employees adopt behaviors and practices that reduce or prevent non-stormwater runoff and discharges to the MS4. Public Utilities Stormwater will coordinate the training programs and activities in this plan within the County and with our Copermittees to the extent practical. The type and schedule of training courses will be reviewed annually to ensure permit compliance and effectiveness. This training plan will be adjusted as needed.

The training opportunities and courses which comprise this plan address the training requirements described in:

• PART III.A.7.c ILlicit DISCHARGES AND IMPROPER DISPOSAL – INVESTIGATION OF SUSPECTED ILlicit DISCHARGES OR IMPROPER DISPOSAL
• PART III.A.7.d ILlicit DISCHARGES AND IMPROPER DISPOSAL – SPILL PREVENTION & RESPONSE TRAINING
• PART III.A.9.c CONSTRUCTION SITE RUNOFF – SITE OPERATOR TRAINING

I. TRAINING PROGRAM

A. Illicit Discharge Training

1.) A program has been developed to provide training for appropriate staff personnel, including field crews, fleet maintenance staff, inspectors and contractors to identify and report potential illicit discharges, connections and illegal dumping to the MS4. Training is administered and documented through the county’s TRAC Learning System.

2.) Florida Stormwater Association Level I & II Stormwater Operators Certification Course
B. Spill Prevention and Response Training

1.) Prevention and response training are implemented through local fire and rescue response teams.

*Reference current fire department documents for spill prevention and response training.*

2.) Florida Stormwater Association Level I & II Stormwater Operators Certification Course

C. Construction Site Operator Training

Site Inspectors

Certification:

1.) FDEP Sediment & Erosion Control Inspectors Certification Course

Refresher:

1.) Florida Stormwater Association Level I & II Stormwater Operators Certification Course

2.) NPDES Construction BMP & Illicit Discharge Workshop

Plans Reviewers

1.) FDEP Sediment & Erosion Control Inspectors Certification Course

2.) Florida Stormwater Association Level I & II Stormwater Operators Certification Course

3.) NPDES Construction BMP & Illicit Discharge Workshop

4.) Conferences & Workshop’s

Site Operators

1.) Pre-Construction Meeting: NPDES Construction BMP & Illicit Discharge Workshop

2.) Onsite Training
